

WINE

ABOUT

Welcome to Bar Messenger, a secret hideaway in a historic Sydney building, where we celebrate the history of Australian wine and recognise the great Champagne of France.

Located below Transport House, our entrance is marked by the sculpture of Mercury, the Messenger of the Gods and guide of souls to the great beyond. Follow the Messenger and let us be your guide through an Underworld of wine.

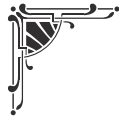

Our wine list places Australian greats as the heroes on our journey. Our myth begins with the first grape vines planted right here in the Royal Botanical Garden. Later, cuttings sent from Spain and France were housed in the courtyard of next door's Treasury Building, before being transplanted to the Hunter Valley. These cuttings of Syrah and Grenache are credited as establishing not only the Hunter Valley vineyards but also the wine industry of Australia.

Our wine list starts by the glass, before journeying through a range of varietals and regions in standard and large format sizes. For a special drop, turn to Mercury's Marvels and taste the Legends of Australia's finest wineries.

And now, sit back and let our Messengers pour you a libation worthy of the Gods.

.
